The first part of this song was composed by Sangs rgyas bkra shis. The second part is from a singer - Bdud bhe. The song is for fun - a gift to Tibetan learners during break time.

Offer to you.
The vowels and thirty-four letters of the Tibetan alphabet,
Essentials of the ten cultures,
Summon through a beautiful melody,
Offer to you, best friend.
Tasty, sweet white milk tea,
Have some please! Best friend.
Friendship between you and me,
Like white-colored milk tea.
